EXPERIENCE

Python & Artificial Intelligence Intern

17 Aug 2026 – 23 Sep 2026

OpsCloud Technologies Private Limited — Kochi, Kerala

- Successfully completed a 1-month internship program in Python & Artificial Intelligence.
- Demonstrated technical proficiency, professionalism, dedication, and commitment to learning throughout the program.

PRACTICAL EXPOSURE & CAPABILITIES

UI/UX & Visual Design

- User Research & Prototyping:** Conducted thorough user analysis to create empathetic user flows, wireframes, and interactive prototypes using Figma and Adobe XD.
- Branding & Graphic Design:** Designed full brand identity packages, logos, brochures, pamphlets, and notice materials using Illustrator, Photoshop, and InDesign.
- Motion Graphics & Media:** Produced dynamic motion graphics, multi-camera edits, and visual video content using Adobe After Effects and Premiere Pro.

Web Development & Digital Marketing

- Responsive Frontend Web Design:** Developed mobile-first, responsive websites using HTML5, CSS3, Bootstrap, JavaScript, and jQuery for dynamic UI interactions.
- Full-Stack Backend Development:** Built secure, scalable web applications utilizing Python and Django for server-side logic and database operations.
- CMS & Marketing Execution:** Managed WordPress websites, applied core SEO principles, and executed Google & Meta Ads campaigns.
